

Privacy Policy

Last modified: June 10, 2015

Introduction

Bugart ("We") respect your privacy and are committed to protecting it through our compliance with this policy. This policy describes:

- The types of information we may collect or that you may provide when you download, install or access or use Fanuts Quiz and Stone Farm (the "**App**").
- Our practices for collecting, using, maintaining, protecting and disclosing that information.

This policy applies only to information we collect in this App or in connection with this App.

This policy DOES NOT apply to information that:

- We collect offline or on any other Bugart apps or websites, including websites you may access through this App.
- You provide to or is collected by any third party.

Our websites and apps and these third parties may have their own privacy policies, which we encourage you to read before providing information on or through them.

Please read this policy carefully to understand our policies and practices regarding your information and how we will treat it. If you do not agree with our policies and practices, do not download, register with or use this App. By downloading, registering with or using this App, you agree to this privacy policy. This policy may change from time to time (see "Changes To Our Privacy Policy"). Your continued use of this App after we make changes is deemed to be acceptance of those changes, so please check the policy periodically for updates.

Children under the Age of 13

The App is not intended for children under 13 years of age, and we do not knowingly collect personal information from children under 13. If we learn we have collected or received personal information from a child under 13 without verification of parental consent, we will delete that information. If you believe we might have any information from or about a child under 13, please contact us at support@bugartgames.com.

Information We Collect and How We Collect It

We collect information from and about users of our App:

- From your Facebook account when you log on to our App through your Facebook account.
- Directly from you when you provide it to us.
- Automatically when you use the App.

Information Received Through Your Facebook Account

You can either connect to our App through Facebook or use it as a guest. When you connect to our App through Facebook you allow us to access and/or collect certain information from your Facebook profile/account as permitted by the Terms of Services (<http://bugartgames.com/terms>) and your privacy settings with Facebook. The information you allow us to access and collect varies depending on the Facebook terms and your privacy setting therein. By way of example only, we may access and/or collect some or all of the following information from your Facebook account when you use or connect to our App through Facebook:

- your full name as provided to Facebook
- your profile picture or its URL
- your user ID number, which is linked to publically available information such as name and profile photo
- the user ID numbers for your friends that are also connected to our game(s)
- the login e-mail you provided to Facebook when you registered
- your gender
- your birthday

(collectively “**Facebook Information**”) By connecting to our App through Facebook, you are authorizing us to collect, store, and use your Facebook Information in accordance with this Privacy Policy and as allowed by the terms of Facebook and your privacy settings with Facebook. You may choose not to allow Facebook to provide us with certain information about you, but this may result in not being able to use certain features of App. When you use our services we may assign you a unique identifying number (“**ID Number**”), which is not publically displayed to other App users.

Information You Provide to Us

When you download, register with or use this App, we may ask you provide following information:

- Username.
- We may also ask you for information when you report a problem with the App.
- Records and copies of your correspondence (including e-mail addresses and phone numbers), if you contact us.

You can also send requests to other users within the App, and we can use your username in the rankings within the App. In both cases other users will be able to

click your username and see your account within the App, whereby they will be able to see your username, avatar and in-game achievements. Your requests are transmitted to others at your own risk. Please be aware that no security measures are perfect or impenetrable. Additionally, we cannot control the actions of third parties to whom you may choose to send requests. Therefore, we cannot and do not guarantee that your requests, the in-App rankings, and, consequently, your username, avatar and in-game achievements will not be viewed by unauthorized persons.

Automatic Information Collection

When you download, access and use the App, it may use technology to automatically collect:

- **Usage Details.** When you access and use the App, we may automatically collect certain details of your access to and use of the App, including traffic data, logs and other communication data and the resources that you access and use on or through the App.
- **Device Information.** We may collect information about your mobile device and Internet connection, including the device's unique device identifier, IP address, operating system, browser type, mobile network information and the device's telephone number.
- **Stored Information and Files.** The App also may access metadata and other information associated with other files stored on your device. This may include, for example, photographs, audio and video clips, personal contacts and address book information.
- **Location Information.** This App does not collect real-time information about the location of your device.

If you do not want us to collect this information do not download the App or delete it from your device. For more information, see [How We Use And Disclose Your Information](#) below.

Third-party Information Collection

When you use the App or its content, certain third parties may use automatic information collection technologies to collect information about you or your device. These third parties may include:

- Advertisers, ad networks and ad servers.
- Analytics companies.
- Your mobile device manufacturer.
- Your mobile service provider.

These third parties may use tracking technologies to collect information about you when you use this app. The information they collect may be associated with your personal information or they may collect information, including personal information, about your online activities over time and across different websites, apps and other

online services websites. They may use this information to provide you with interest-based (behavioral) advertising or other targeted content.

We do not control these third parties' tracking technologies or how they may be used. If you have any questions about an advertisement or other targeted content, you should contact the responsible provider directly.

How We Use Your Information

We use information that we collect about you or that you provide to us, including any personal information, for:

- Providing you with the App and its contents, and any other information, products or services that you request from us.
- Carrying out our obligations and enforcing our rights arising from any contracts entered into between you and us, including for billing and collection.
- Notifying you when App updates are available, and of changes to any products or services we offer or provide through it.
- Providing, administering, and facilitating your use of the App, including the display of customized content and/or targeted advertising.
- Notifying you of products, new products, services, features, promotions and enhancements.
- Marketing our products and/or services to you, including sending you offers, promotional information, newsletters, e-mail campaigns, and communications regarding new, improved or existing products, contests and/or sweepstakes.
- Resolving site problems and handling or responding to customer support questions and issues.
- Processing or fulfilling your request(s) and/or order(s) for games, products, services, information or features, such as Virtual Items and Virtual Currency;
- Enabling Interaction and soliciting input and feedback to improve user experience;
- Managing your account preferences.
- Monitoring the technical functioning of the App and fanutsquiz.com (the “**Website**”).
- Developing new and/or improved games, products, services or offerings.
- Providing you with news and newsletters.
- Identifying, researching, and protecting against any actual, potential or threatened misuse, unauthorized use, or unwanted use of the App and the Website, including but not limited to researching any claims made by or about other users and/or about the App and the Website, and such may include information provided from third-party sources.
- Third party hosting of the App and the Website.
- Analyzing trends and user traffic.
- Marketing, processing or fulfillment of promotions and offers administered or sponsored by us.
- Resolving disputes.

- Trouble-shooting errors or issues with the App and/or the Website.
- Tracking purchase and usage information.
- Communicating with you concerning your Account.
- Asking you to participate in surveys about products and services.
- As we, in our sole discretion, otherwise determine to be necessary or required to ensure the safety and/or integrity of our users, employees, third parties, members of the public, the App and the Website.
- Fulfilling any other purpose for which you provide it.

The usage information we collect helps us to improve our App and to deliver a better and more personalized experience by enabling us to:

- Estimate our audience size and usage patterns.
- Store information about your preferences, allowing us to customize our App according to your individual interests.
- Speed up your searches.
- Recognize you when you use the App.

We may use the information we collect to display advertisements to our advertisers' target audiences. Even though we do not disclose your personal information for these purposes without your consent, if you click on or otherwise interact with an advertisement, the advertiser may assume that you meet its target criteria.

Disclosure of Your Information

We may disclose aggregated information about our users, and information that does not identify any individual or device, without restriction.

In addition, we may disclose personal information that we collect or you provide:

- To our subsidiaries and affiliates.
- To contractors, service providers and other third parties we use to support our business.
- To a buyer or other successor in the event of a merger, divestiture, restructuring, reorganization, dissolution or other sale or transfer of some or all of Bugart's assets, whether as a going concern or as part of bankruptcy, liquidation or similar proceeding, in which personal information held by Bugart about our App users is among the assets transferred.
- To fulfill the purpose for which you provide it.
- For any other purpose disclosed by us when you provide the information.
- With your consent.
- To comply with any court order, law or legal process, including to respond to any government or regulatory request.
- To enforce our rights arising from any contracts entered into between you and us, including the App Terms.
- If we believe disclosure is necessary or appropriate to protect the rights, property, or safety of Bugart, our customers or others. This includes

exchanging information with other companies and organizations for the purposes of fraud protection and credit risk reduction.

Your Choices about Our Collection, Use and Disclosure of Your Information

We strive to provide you with choices regarding the personal information you provide to us. This section describes mechanisms we provide for you to control certain uses and disclosures of your information.

- **Tracking Technologies.** We do not use any tracking technologies. Nevertheless, you can set your browser to refuse all or some browser cookies, or to alert you when cookies are being sent.
- **Promotion by Bugart.** If you do not want us to use your e-mail address to promote our own or third parties' products or services, you can opt-out by sending us an e-mail stating your request to support@bugartgames.com.
- **Targeted Advertising by Bugart.** If you do not want us to use information that we collect or that you provide to us to deliver advertisements according to our advertisers' target-audience preferences, you can opt-out by sending us an e-mail stating your request to support@bugartgames.com.
- **Disclosure of Your Information for Third-Party Advertising and Marketing.** If you do not want us to share your personal information with unaffiliated or non-agent third parties for advertising and marketing purposes, you can opt-out by sending us an e-mail stating your request to support@bugartgames.com.

We do not control third parties' collection or use of your information to serve interest-based advertising. However these third parties may provide you with ways to choose not to have your information collected or used in this way. You can opt out of receiving targeted ads from members of the Network Advertising Initiative ("NAI") on the NAI's website.

Accessing and Correcting Your Personal Information

You can review and change your personal information by logging into Facebook and visiting your account profile page.

You may also send us e-mail at support@bugartgames.com to request access to, correct or delete any personal information that you have provided to us. We may not accommodate a request to change information if we believe the change would violate any law or legal requirement or cause the information to be incorrect.

Your California Privacy Rights

California Civil Code Section 1798.83 permits users of our App that are California residents to request certain information regarding our disclosure of personal

information to third parties for their direct marketing purposes. To make such a request, please send an e-mail to support@bugartgames.com.

Data Security

We have implemented measures designed to secure your personal information from accidental loss and from unauthorized access, use, alteration and disclosure. All information you provide to us is stored on our secure servers.

The safety and security of your information also depends on you. Where we have given you (or where you have chosen) a password for access to certain parts of our App, you are responsible for keeping this password confidential. We ask you not to share your password with anyone.

Unfortunately, the transmission of information via the Internet and mobile platforms is not completely secure. Although we do our best to protect your personal information, we cannot guarantee the security of your personal information transmitted through our App. Any transmission of personal information is at your own risk. We are not responsible for circumvention of any privacy settings or security measures we provide.

Changes to Our Privacy Policy

We may update our privacy policy from time to time. If we make material changes to how we treat our users' personal information, we will post the new privacy policy on this page with a notice that the privacy policy has been updated.

The date the privacy policy was last revised is identified at the top of the page. You are responsible for periodically visiting this privacy policy to check for any changes.
